ORDER DENYING CREDITOR'S OBJECTION
TO CONFIRMATION OF CHAPTER 13 PLAN ("OBJECTION")

The Objection was filed on August 20, 2012 by Northwest Auto Credit; the Objection was signed by "Glen Bazik, Manager". A non-individual is not authorized to file an objection in this court, and it was necessary for the Objection to be filed by an attorney authorized to practice in this court. Additionally, contrary to the court's order which provided notice of the confirmation hearing to be held on August 27, 2012, no representative of the objectant appeared at the confirmation hearing. Finally, the basis for the Objection fails to state any cognizable reason for denial of confirmation of the debtors' plan.

IT IS ORDERED that the creditor's Objection is denied.

Dated at Hammond, Indiana on September 7, 2012.
